REQUEST FOR EXTENSION OF TIME TO FILE OPPOSITION

Assistant Commissioner of
Patents and Trademarks
2900 Crystal Drive
Arlington, VA 22202
Box TTAB NO FEE

Dear Sir or Madam:

Ms. Janet Burak, an individual, requests a further extension of time of ninety (90) days within which to oppose the above-identified application. The time to file a Notice of Opposition currently expires on December 21, 2001. Therefore, pursuant to this request, this potential opposer will have until March 21, 2002, to file a Notice of Opposition.

This request for an extension of time has been discussed on the telephone with Applicant's attorney, James R. Menker, Esq., and Mr. Menker has authorized potential opposer's attorney to state that this request can be considered as agreed and stipulated. The reason for this request is that Applicant and its counsel have settled the dispute with potential opposer and her counsel, subject to approval of such settlement by the Examining Attorney handling potential opposer's trademark application. This extension should provide ample time for the Examining Attorney to provide notice of his consent to such settlement.

Respectfully

Dated: December 20, 2001

Ms. Janet Burak, an individual
